Dear Minister,

My Name is LuckShan and I am in Year 5 at Heathland School in Harrow in England

We are rights Respecting school at Heathland and we have our own class charters in each classroom. Each month we have assembly, like value assembly.

One Rights that I feel is important is every child has the right to think and believe what they want to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights of parents to give their children information about this right. I chose this article because if you didn't not have religion then everybody in the world will start fighting. Another rights that is important is Governments must do all they can to easure that children are protected from all they can forms, of violence, abuse, neglect and bad treated by their parents or anyone else who looks after them.

I hope you can see how our school is an outstanding rights respecting school. I would like to know what is your favowite rights is and why.

Your Sincerely
LuckShan
