Dear Chris, Steve and all the staff

I am very pleased to enclose your Assessment Report and congratulate you, the children and all the governors/directors and staff at Heathland School on your success in achieving the Rights Respecting School Award Level 1.

I was impressed with the way you have supported your staff, children and parents on the journey to Level 1. It was a pleasure to meet your pupils who were proud of their school and knowledgeable about children's rights. You have a firm foundation in place to continue to develop as a Rights Respecting School and to share your commitment with the wider community.

I would like to thank you for the warm welcome I received and for the commitment and hard work shown by everyone to achieve this award. Thank you also for providing lunch.

I have also enclosed a letter addressed to the children for you to read, discuss and celebrate with them.

I wish you well in your continuing work to promote and uphold the rights of all children within your own locality and further afield.

With every good wish and thanks

Gill Roberts
