

11<sup>th</sup> July 2017

Dear Parents and Carers,

I am writing to you with some really good news about the school lunches at Heathland.

From September we will be having our hot meals provided by a new catering company called Alliance in Partnership. They will be cooking all of the meals on site in our kitchen near the top hall – and they will be tastier than ever before!

I am also very pleased to let you know that for those families who pay for hot meals the new price per meal will be **£2.10** compared to the current meal price of £2.25.

Staff from Alliance in Partnership will be around during Parents' Evenings this week with some tasty treats – they will also be able to answer any questions you may have about the new lunches.

In readiness for September, we need you to provide information about your child in terms of any **allergies** they may have. ***We will need this information whether or not your child will be having a hot lunch, and even if you have provided this information previously.*** Please take a look at the information attached and complete the form with any allergy information or dietary requirements and return it to Alliance in Partnership by emailing them at [allergens@ainp.co.uk](mailto:allergens@ainp.co.uk).

Staff in the school office can also assist you with this.

We will also email this information to parents, and it will be available on our website – look for 'New Lunches Sept 2017'.

Please do ask at the office if you have any questions.

Yours faithfully

**Ms L E Caswell**  
**Associate Headteacher**
