Heathland Sports News!

Well done to the Year 6 tag rugby team, who competed in and **won** the local Harrow tournament. They played in six games, drew two and won four. This is them proudly showing off their medals!

We would also like to say 'Congratulations!' to the Year 6 netball team who took part in a Harrow tournament at Bentley Wood School on Tuesday 25th February, and then lost narrowly to Newton Farm on Thursday 27th February. They have made huge improvements as a team since beginning their training together in October.

Very well done to all our sports stars!

World Book Day

We will be taking part in World Book Day on Friday 6th March. Children can come to school dressed as their favourite story book character.

There are lots of easy costume ideas on the World Book Day website. <https://www.worldbookday.com/dressing-up-ideas-2019/>

We are also joining the 'Share a Million' stories campaign and have a target of sharing 1400 stories in school. Please encourage your child/ren to get reading and we look forward to seeing all the wonderful costumes on Friday 6th March!

DRESSING UP IDEAS

Tree Planting

Year 1 had a brilliant time planting trees in Field End Recreational Ground. They used a spade to dig a deep hole, removed any rocks in the soil and then placed the trees into the hole and covered it back with the soil. We braved the bad weather and got very muddy but had so much fun! At Heathland we know how important trees are for people, animals and the environment.

This Saturday there is a community event in Field End Recreational Ground full of food, fun and face painting. You will even get the chance to plant a tree yourself. For more information visit <https://www.treesforcities.org/fieldendrec>
