

Dear Parents and Carers,

Welcome back!

We would like to say a **big thank you** to all our parents and families that have been so patient, positive and supportive with our new arrangements during our first week back.

The space on our site is limited and whilst we have tried our best to give parents additional space we are aware it is sometimes difficult. To make sure we are keeping all our families and pupils safe we would recommend:

- Standing at least 2 metres apart from parents and staff wherever possible
- Where it is difficult to stand 2 metres apart from others applying additional measures such as wearing a mask
- Not standing in groups anywhere **on** or **around** the school site (including outside the school gates) as this makes it more difficult for others to safely social distance. *Please be mindful that from Monday the rules on the size of gathered groups in public places in England will change.*

We would also remind you of the importance of these measures which we have to keep in place to ensure everyone's safety:

- Only one parent/carer dropping off and picking up pupils
- Arriving **on time** for your drop off and pick up and **not before**
- Walking in the direction of the arrows on the floor or on signs
- Making sure hands are washed before leaving home in the morning and arriving home after school

We will continue to review and adapt our arrangements as necessary to make sure we are doing as much as possible to keep everyone safe. We ask for your support with this so that we can work together in keeping our community safe and healthy.

Yours sincerely,

Lucy Caswell
Executive Headteacher
