I know that Heathland will always be a special place to learn and I know that with our brilliant team it will continue to go from strength to strength!'

Exciting news!

Miss Hopkins, currently Associate Head of Primary across both Federation schools will become Headteacher of Heathland School from the beginning of November!

She says, 'I am really excited about my new role as Headteacher of Heathland School. It is a privilege to have been appointed by Miss Caswell and the Directors and entrusted with the job of leading such a fantastic school.

'Many of you will already know me; I have worked at Heathland for over 12 years. I thoroughly enjoy working at Heathland School alongside all of our brilliant pupils and supportive families. I am determined that the school builds on its previous success and continues to go from strength to strength. I am looking forward to working with the whole community as we strive for even greater success for all our pupils. By working together we can ensure that all pupils make excellent progress, enjoy coming to school and leave us with the skills to become lifelong learners.'
