

Below are the times tables your child should know as a minimum by the end of each academic year and strategies that you can use at home to support your child in learning each time table.

	<b>By the end of the year:</b>
<b>EYFS</b>	When counting objects, children can count in twos, fives and tens and record the total.
<b>Year 1</b>	Record sequences of twos, fives and tens. Know doubles and halves of numbers up to 12.
<b>Year 2</b>	2, 5, 10 including division facts.
<b>Year 3</b>	2,3,4,5,8,10 including division facts.
<b>Year 4</b>	All times tables up to 12 x 12 including division facts.
<b>Year 5</b>	Use related times able and division facts to solve problems e.g. $1/7$ of 36 is 9.
<b>Year 6</b>	Use related times table and division facts to solve problems including finding common factors and multiples.
