Re: Instrumental Music Lessons Music Taster Session!

Dear Parents/Carers,

We have some exciting news that we would love to share with you!

As per the letter you received at the end of last term, Heathland is once again working together with Harrow Music Service to offer all pupils in Year 2 and above musical instrument tuition in the next academic year. We have been fortunate enough to organise a fun **Music Taster Session** with Harrow Music Service for all parents to come into school and see for themselves what a wonderful opportunity this is for the children!

We would like to invite you to come into school on **Tuesday 26th April at 2.15pm** for our Music taster session with teachers from HMS.

There will be lots of music and live demonstrations of some instruments on the day including Violin and Clarinet.

A wide variety of instruments are available for each year group to learn, Guitar, Keyboard, Flute and Clarinet just to name a few! The music teachers themselves will also be available to answer any questions you may have.

At Heathland we encourage a life-long love of music through extra-curricular lessons on a musical instrument. Apart from learning a valuable and respected skill, children benefit from learning an instrument in so many other ways, gaining enjoyment from a shared experience with others, making friends, and developing confidence and social skills. Parents will also receive an end of year report which will detail your child's progress.

Please see the attached flyer for full details. I very much hope to see you there!

Yours sincerely,

Mrs L Farrant
Deputy Headteacher

INSTRUMENTAL MUSIC TASTER SESSION!

TUESDAY 26TH APRIL
2.15PM LOWER SCHOOL HALL

**COME AND SEE WHAT YOUR CHILD COULD
BE LEARNING NEXT YEAR!**

- Mix of live presenting and live music demonstrations including Violin & Clarinet!
- Meet and speak to the Music Teachers from HMS
- Instruments include Violin, Guitar, Keyboard, Brass, Woodwind and Lower strings!
- Q&A Session:
 - How much does it cost?
 - Where do I get an instrument?
 - Who will be teaching them?
 - How do they make progress?
