

To celebrate the Queen's Platinum Jubilee we will be having our own 'street party' in school on **Thursday 26th May**. We would like all pupils to come to school dressed in red, white or blue.

We would ask that all children have a packed lunch on this day to eat together at the party. If your child is entitled to free school meals or you cannot provide a lunch then there will be a sandwich option offered to them on that day.

To mark the occasion we will also be selling a special Jubilee badge for £2. These will be available to purchase in school on the day both in class and at the end of the day on the playground. Please bring £2 to school if you would like to purchase one of these badges.

**Please don't forget that the last day of the half term is Thursday 26th May** .The half term holiday is Friday 27th May - Friday 3rd June. Pupils return on Monday 6th June.
