

13th June 2022

Dear Parent/Carer,

Spanish Day

On **Friday 17th June**, we will be holding a **Spanish Day**, to celebrate our first year of teaching the language at Heathland. There will be a Spanish themed lunch – the flyer with the choices for the day is attached – along with Spanish themed learning, and a visit to each class from Senor Puertas to further celebrate the subject.

We would also like the children to come dressed in **red** and/or **yellow**, the colours of the Spanish flag, to help mark the occasion. There is no need to bring any money in for this non-uniform day; we just ask you to help your child choose something bright to wear in either (or both!) of these colours.

Muchos Gracias,

Miss F R Hopkins
