Year 6 Promival - Update

Dear Parent / Carer,

As you know, our end of year Leaver's 'Promival' will be taking place on Tuesday 19th July. We want to ensure that your child has a wonderful time celebrating the end of primary school with their friends, while still being safe in the hot weather.

Due to the hot weather warnings, we have made the decision to move the start time from to 5:00pm. The event will still end at 6:30pm as planned. This is to ensure that children are not in the direct sun during the hottest times of the day.

We will have the following in place in order to ensure that everyone stays safe:

- Access to shaded areas including gazebos and the outdoor classroom
- No vigorous activities (e.g. running around, dancing)
- Cold water available for all children
- Indoor activities in our air-conditioned Year 6 classrooms
- All children should wear lightweight loose clothing, a hat and sun cream

We are also asking children to bring in drinks on Monday so that they can be refrigerated.

Throughout the event, we will monitor children for signs of heat exhaustion and act accordingly. We ask that you remain contactable throughout the event so that we can call in case of an emergency.

We realise that this may be a difficult decision for some families whether or not your child attends the 'Promival' and we respect your decision either way.

If you have any questions or concerns, please get in touch with us via the school office.

Yours sincerely,

The Year 6 Team
