

Friday 23rd June 2023

Dear Parents/Carers,

Sports Day

Sports day for The Early Years Foundation Stage will take place on **Monday 3rd July 2023**. Pupils will be taking part in lots of different outdoor sport games and field events.

Pupils will be participating in active games and rotating around the circuit to access the activities at different stations and therefore would need to be dressed appropriately, with correct PE footwear. Classes will be put into colours that represent their team in EYFS. Please can your child wear the colour their class has been selected to wear, as indicated in the table here:

| | | | |
|----------------|---------------------|-------------------|-------------------|
| RED | YELLOW | GREEN | BLUE |
| Nursery | Sparkleberry | Elderberry | Honeyberry |

Could we also request that children remember to bring a water bottle that is labelled with their name. Please apply sun cream prior to arriving at school and provide your child with a suitable sun hat or cap.

As the EYFS sports day is taking place on a day that is separate to the rest of the school and as this is the first big sporting event many children will be experiencing, we would like to invite parents to join us in supporting the children on the day. We want parents to have the opportunity to cheer for the children and be 'present' during the activities and therefore we will be sharing lots and lots of photos on Tapestry for you of the day.

The AM & Full-Time Nursery and Reception will be out in their groups 9:15-11am. The PM & Full-Time Nursery will be out in their groups from 1:30-2:45pm.

The sports day will take place on the astroturf and the grass area at the back of the school. Areas will be clearly marked to show where parents can stand and watch. *It is important that all parents stay behind the safety barriers during the activities.*

Thank you for supporting our school sports programme and we look forward to seeing you there on the day!

Yours faithfully,

Heathland school
