Help us to help your children!

You can help us get more funding from the government to spend on our pupils.

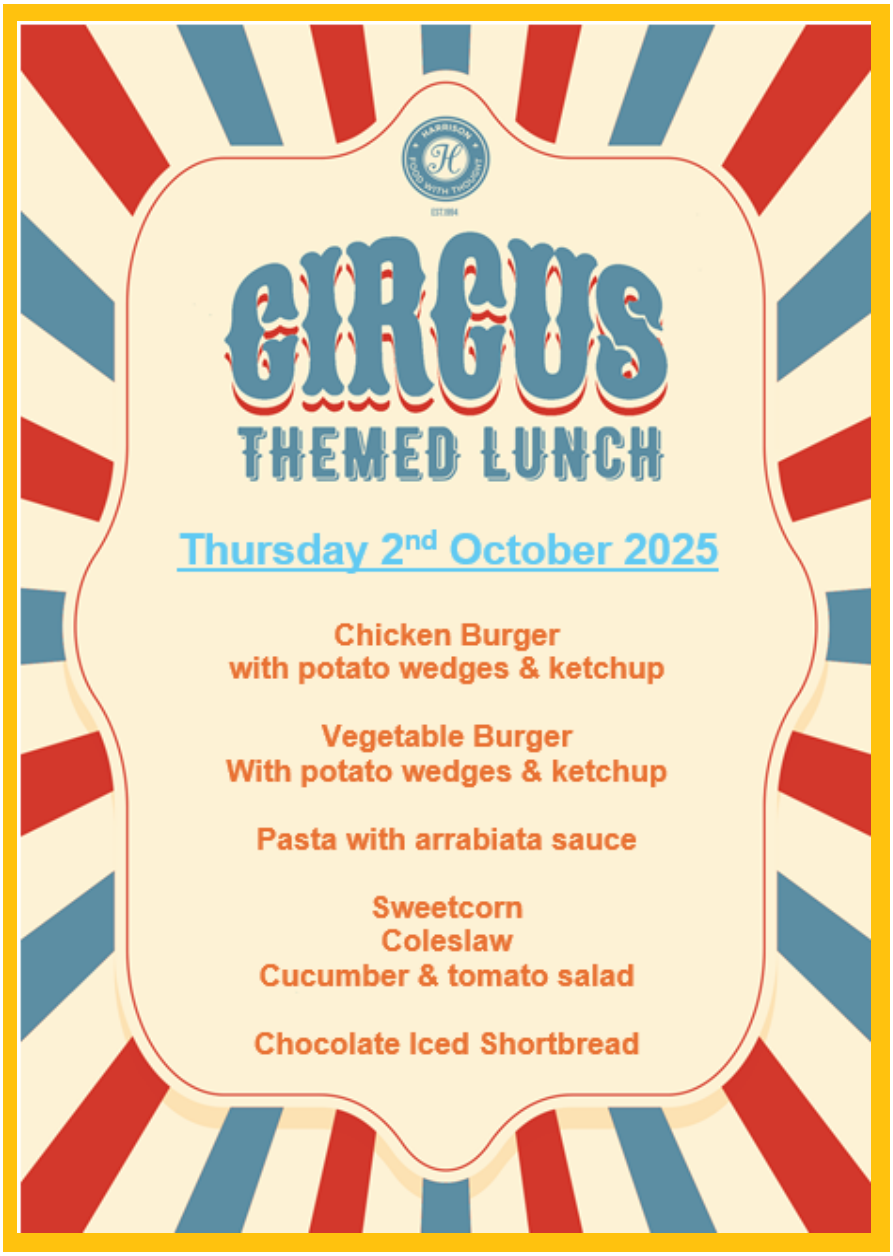
National Census Day is Thursday 2nd October 2025

What can you do to help?

All you need to do is make sure your child has a school lunch on Thursday 2nd October.

If your child usually has a packed lunch we would really appreciate that for this one day you allow them to have a school lunch. The more pupils that have a school lunch on Thursday 2nd October the more money the government will give us to spend on our pupils!

What will it cost me?
Nothing! School lunches are free for everyone!



Please see the special menu from our catering company Harrisons.

This menu is a change to the usual menu for Thursday 2nd October only.
