October 2025

Dear Parents and Carers,

We are delighted to share some wonderful news with you – thanks to your incredible generosity and support throughout last year, we have successfully raised the funds to design, build, and open our very own **sensory room**!

This is a fantastic achievement for our school community, and we are so grateful for every donation, cake sale, summer fair participant, and kind word of encouragement that helped us reach this goal. The sensory room will be a valuable space for many of our pupils, offering a calm and supportive environment to help them thrive.

We have already been able to invites some of our pupils into the room and look forward to more accessing this resource in the future. Thank you again for your kind donations and being such an important part of this journey.

Please see the link below for more information and pictures!

Heathland School - Sensory Room

Heathland School is an Inclusive school and over the years we have had many pupils who attend our setting for whom the mainstream classroom and environment was a barrier to their learning. …

Kind regards

Ms F R Hopkins
Headteacher
