3rd November 2025

Dear Parents and Carers

ANTI-BULLYING WEEK

Next week, from Monday 10th November, it is Anti-Bullying week. We will be spending time in our PSHE lessons focusing on the theme of 'Power for Good' to encourage children to safely speak up and raise awareness when they see bullying, face to face or online. We will explore how important the idea is that we all have the power to make a positive impact in our school and our community, as well as considering our responsibility to embody the values that we place at the centre of our school life. A reminder of these values can be found on our website to encourage discussion with your children: Values

We will start the week off with '**Odd Socks Day'**. It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique! More information can be found here: What is Odd Socks Day?

No donation is required, but please ensure your child has comes in wearing mismatching socks with their normal uniform. These can be as bright, colourful and patterned as they like!

Many thanks in advance for your support.

Kind regards

Heathland School
