November 2025

Dear Parents and Carers,

As a Rights Respecting and Values-based school, we are committed to creating a safe, respectful, and positive environment for our children and wider community. **We ask all parents and carers to support this by parking considerately and legally at drop-off and collection times.**

We have received a number of complaints from local residents sharing evidence of illegal and inconsiderate parking on local roads. Illegal parking will be reported to the police. We remind all those parents who drive to pick up or drop off their children to adhere to the parking restrictions in place around the school.

Parking on pavements, across driveways, or in restricted areas is extremely unsafe and could cause an accident involving one of our community. We expect every member of our school community to uphold these standards and to set the right example for our children by showing respect and care for others.

Zig Zag Lines

The zig zags lines are there so that children and parents can have a clear field of view to see traffic approaching and likewise, drivers have a clear view of any children who might wish to cross the road. If the zig zags are blocked by inconsiderate parking, then neither driver nor child can see each other and the risk of an accident is greatly increased.

Illegal Parking

Do not park across drives or block entrance to properties. We receive numerous complaints from local residents who have their driveways blocked and we encourage them to report all illegal parking to the local authority and the police. As stated in the Traffic Management Act 2004, no part of a vehicle should be parked in front of the lowered section of pavement or kerb.

This applies to all lowered footways, you MUST NOT park or wait here:

- property driveways (on or across)
- pedestrian crossing points
- Zig Zag lines
- pram crossings

Thank you for your continued support

Kind regards,

Heathland School
