July 2026

Nursery Meet-Up at Newton Park

Dear Parents and Carers,

We have missed all our Nursery children so much during the closure of Heathland School, and we are delighted to invite you to an optional class meet-up at Newton Park on **Friday 10th July 2026**.

Meet-Up Time: Friday 10th July 2026 — 1:00pm-2:30pm

The children have made incredible progress since the start of the year, and we are extremely proud of them. To celebrate their achievements, we would love to gather at the park, enjoy a picnic, take part in some class games, and spend time together as Acorn Class.

We kindly ask that all parents and children who wish to attend and meet Miss Evans, Mrs Vishnu and Mrs Siva arrive at Newton Park at 1:00pm. You are welcome to come and go as you wish; however, **all parents must remain with their child at all times.**

We will be located under a large shaded tree, with cones placed around the area to help you find us.

Children are welcome to bring a snack or packed lunch to enjoy during our meet-up, although there is no obligation to bring food. Please ensure that your child does **not share food** with other children.

As we have children in Nursery with **severe allergies**, we kindly ask that **no foods containing nuts** are brought to the meet-up. We also ask parents to be mindful when choosing snacks and to avoid foods that could pose a risk to children with allergies. We will provide a small bowl of fruit for the children to enjoy.

On the Day, Please Bring:

- **A water bottle** – essential due to the warm weather.
- **Sun cream applied before arrival** – you may bring sun cream with you for reapplication, but please do not share it with other children.
- **Any required medication** – if your child has an allergy or medical condition, please bring any necessary medication with you. We will also bring medication held by the Nursery.
- **Comfortable clothing** – children may wear their own clothes, but please ensure they have trainers or other suitable walking shoes.

- **A snack or packed lunch (optional)** – please bring food in a named disposable container if possible. Remember, no food with nuts due to allergies
- **Weather-appropriate items**, such as a sun hat.

If you have any questions, please feel free to post them on Tapestry.

We are very excited to see you all and look forward to spending the afternoon together!

Kind regards,

The Nursery Team
