COMPLETE WRAPAROUND

We are happy to announce that we are continuing our wraparound services for Reception - Year 6 in the 2026/2027 academic year. With nearly 20 years experience in schools, clubs and holiday camps, we are experts in delivering active and enriching Ofsted registered wraparound care and we look forward to expanding our already successful club provision.

SERVICES

- *After School Clubs: 15:15-16:30 (£6.25), 16:30-18:00 (£6.75), 15:15-18:00 (£13:00)*

It is important for us to create an environment that does not feel like an extension of school, and we always encourage children to take part in some of the fun, inclusive physical activities we have on offer, as well as the numerous other activities we provide. For those staying past 16:30, we offer healthy snacks which are outlined below.

ACTIVITIES OFFERED

Our schedule for the Autumn Term is below. This is subject to change in line with demand, and we are open to suggestions for new activities as we endeavour to create a service perfect for your children. Alongside all of the clubs, there will be a range of other less specific enrichment activities on offer such as: homework/reading corner, outdoor free play, table sports, archery, speed stacking, multi-sports, art, Lego, board games, etc. We endeavour to keep your children as entertained as possible.

HOW TO BOOK

Booking will be available at **www.completesports.co.uk** from 8pm on Monday 6th July, and there will be options 15:15-16:30 and 16:30-18:00 (if you need the full duration please book both). Please note, if you are booking a specific club such as Dodgeball but you also want wraparound for the second session, you would need to book the Dodgeball 15:15-16:30 and then the 16:30-18:00 wraparound option. If you just book the wraparound for both sessions, they may not be able to participate in specific clubs due to numbers.

We offer an ad hoc childcare service in the wraparound sessions only, however this will be charged at 1.5x the rate. We are not able to offer it at the same rate as we would lose regular bookings and there is also more administration involved.
