LONDON BOROUGH OF HARROW

Dear Parents and Carers,

I would like to take this opportunity, on behalf of Harrow Council, to commend the outstanding leadership shown by the Headteacher during the recent flooding incident at Heathland School.

I fully appreciate how distressing and disruptive an event of this nature can be for children, families and staff. However, the swift and decisive actions taken by the Headteacher, Senior Leadership Team and wider school staff ensured that disruption was kept to a minimum and, most importantly, that all children were able to continue accessing their education.

During my recent discussions with Department for Education advisers, they specifically commented on the strong leadership demonstrated by the school throughout the incident. They also recognised the tremendous support provided by other schools across Harrow, highlighting the strength of collaboration and partnership within our local education community.

I would like to extend my sincere thanks to everyone involved. The professionalism, resilience and commitment shown throughout this challenging period has been exceptional and reflects the very best of Heathland School and the Harrow education family.

Your sincerely

Emma Harkin
Director of Education
