Dear Parents and Carers,

As you may know, our school will be taking part in a **Rights Respecting Schools Gold Reaccreditation visit** at the end of November.

As part of this process, we would like to hear from parents and carers about:

- what your child talks about at home regarding children's rights, and
- what being part of a Rights Respecting School means to your family.

Your feedback is extremely important to us. The views of our families help us understand the impact of our work and show how children's rights are being discussed and valued beyond the classroom. Every response helps us to celebrate what we are doing well and identify ways we can continue to improve.

We would be very grateful if you could take a few minutes to either:

- complete the feedback form, or
- send your comments by email through the school office

Rights Respecting School - Parent/Carer Feedback – Fill out form

To help more families take part in these conversations at home, we have translated the **United Nations Convention on the Rights of the Child (UNCRC)** into **Hindi, Gujarati, Arabic, Tamil and Romanian**.

Thank you for taking the time to share your thoughts and for supporting our Rights Respecting journey. Your voice matters and will make an important contribution to our reaccreditation process.

Kind regards

Mrs Zagerman Vaughan
Assistant Headteacher
